

Terms and Conditions

New admissions

A completed Childcare Application Form, Parental Consents and Agreements plus the Registration fee and deposit are required to secure your child's place. Nursery places are allocated in accordance with details stated on the application form regarding start date, sessions/days required.

Any changes prior to the confirmed start date can only be accommodated at the nursery's discretion and subject to availability. Written confirmation will be sent to parents once a start date has been agreed.

A £60 registration fee plus a £250 deposit is required to secure a place. This £250 deposit will be deducted from your first months invoice and is non-refundable if you later decide not to take the confirmed place.

Please Note: The registration and deposit does not apply to parents who are only taking up their 15/30 hours 'standalone' Early Education Entitlement.

If the notified start date is changed by the parent, we reserve the right to charge from the original start date notified on the original Registration form.

Change of usage

Not less than one month's written notice to expire on the last day of a month is required for any change of nursery usage. Any increase in usage is subject to availability and no guarantee can be given.

Parents should discuss any proposed change of usage with the Nursery Manager prior to written notice being submitted.

One change of usage per year can be accommodated free of charge and any subsequent changes attract an admin charge of £15.

Payment of nursery fees

(a) Method of payment

Fees are charged monthly and are payable using one of the following:

- University Employees salary sacrifice scheme (please ask for further information)
- Direct Debit Mandate – collected on the 14th of each month

(b) Non-payment

The nursery operates on a self-financing basis and a nursery place will be withdrawn if nursery fees remain unpaid. It is our policy to recover unpaid nursery fees and legal action will be taken where necessary.

(c) Fees will be charged at the full rate for periods of holiday including Bank holidays, staff training and sickness or where the nursery is closed temporarily in exceptional circumstances. Fees are not payable for University Closed Days.

(d) Late collection of children

An additional charge to cover staff costs will be applied in the event of late collection of children at the rate of £5.00 per child (up to 5 minutes late); £10.00 per child (the next 5 minutes) and a further £5.00 per child per minute thereafter.

(e) If a parent ceases to be a member of staff or student, a different charging rate as appropriate will apply as per the current Fees.

Salary sacrifice

Membership of the scheme is for 1 year, which commences on 1st September and expires on 31st August. If you join part way through the year you will be a member until 31st August. Once enrolled on the scheme you will have agreed to monthly salary sacrifice payment until 31st August on the nursery usage requested prior to joining the scheme. Towards the end of the academic year you will be given the opportunity to continue membership of the scheme or leave it.
